Explanation of Benefits

The benefits arranged under this insurance scheme are provided strictly under the terms of insurance policies taken out and owned by the Trustees of the scheme. Copies of the policies are available to view at the Police Federation Office. Subscription to the scheme entitles the member to the benefits provided by the scheme but confers no ownership of any of the underlying policies, which are vested in the Trustees.

Life Insurance

On death of a member or spouse/partner who are covered under the scheme the cash benefit detailed in the current benefits table will be paid. The policy is written in Trust so that if a member dies, the proceeds can be paid, by the Trustees, to the member's dependants quickly free of tax and without having to wait for probate. Members should ensure that they have an up-to-date beneficiary nominated and have lodged the details with the Federation Office, to assist the Trustees in the event of a claim. If a beneficiary aged 63 or under receives a terminal prognosis of 12 months or less, they may apply to the Trustees for an advance of the death benefit of 20% of the relevant sum insured.

Permanent Total Disablement

This benefit is provided should the member suffer an accident that results in total permanent and irreversible disability such that the benefit member is unable to perform any gainful employment and such that the member is unable to exist independently and requires continual supervision and frequent attention of a third party for activities of daily living. Such disabilities must be established for a continuous period of twelve calendar months before the benefit can be paid.

Accidental Loss of Use Benefit

This benefit is payable should the Benefit Member suffer an accident that results in a permanent loss of sight of one or more eyes, the use of one or more limbs at or above the wrist or ankle or the permanent total loss of hearing. This benefit is payable only if the loss of use occurs as the result of an accident occurring during the currency of this policy.

Hospitalisation Benefit

Should a member be admitted to hospital in the UK immediately following an accident, incident or emergency, this benefit will pay £40 per night for up to five consecutive nights. Should a member be admitted to hospital in the UK for a planned procedure, a benefit of £40 per night will become payable after the first three nights for up to a further five consecutive nights.

Exclusions applicable to Permanent Total Disablement, Hospitalisation Benefit and Accidental Loss of Use Benefit

No exclusions apply due to injury incurred in the bona fide execution of police duty, whether or not the Benefit Member is formally on duty at the time. Otherwise no Benefit shall be payable under this Policy if a claim occurs directly or indirectly from any of the following causes:-

RED ARC is an independent care advisory service specialising in welfare-based added value services.

The diagnosis of a serious health condition such as cancer, a heart attack, stroke or MS invariably means a worrying time for everyone close to the patient. That's the time that you need access to someone who understands your condition and has the time to listen to your concern and allay your fears. That goes for your spouse, partner and children too. Advice and counselling are also available for other conditions such as stress and disability. The cornerstone of the RED ARC service is the personal nurse adviser - highly experienced, registered nurses who will be the focal point for you and your family and tailor the support you need to your particular circumstances.

Your personal nurse adviser will be available to you by telephone in normal business hours, and will be able to provide information and support for as long as you need it. Where appropriate, they can commission additional services such as a home visit by a specialist nurse, counselling or therapy. RED ARC also has links with many charities specialising in your particular health condition, and can often direct you to self-help groups that will help you come to terms, and cope better, with your problem. Home adaptation and special equipment to aid everyday living are other important areas where we can provide guidance.

The Red Arc service is free of charge and confidential. If you think you may be eligible you should ring RED ARC on 01273 716700 in normal business hours.
