Dear Colleague

## You may be entitled to a tax refund

If you pay tax, there's a high chance you've paid too much!

As a member of South Wales Police Federation, you are eligible to have your tax codes checked by employment tax experts at The Tax Refund Company.

**2 in 3 members** who have already used this service have had a tax refund. Very few members think they are owed a refund before they use the service. Most of those getting refunds are pleasantly surprised when a cheque arrives in the post.

The main points to note are...

- Your tax review is FREE if you do not get a tax refund
- For every £1 paid back by HMRC, you keep 62p (minimum fee £38\*)
- You will keep 100% of any increase in your net pay for current and future years
- Peace of mind guaranteed – in the rare event you get an unexpected tax bill as a direct result of using this service, it will be paid for you\*\*
- South Wales Police Federation members using this service have received average refunds of £160.90 each.

**You should not assume HMRC will automatically send you a refund if you have overpaid tax. It is up to you to check if you have paid too much tax and claim it back if you have or get an expert to do it for you.**

**This is your hard-earned money. Why let The Revenue keep it?**

Yours faithfully

\* You only pay a fee if you get a refund from HMRC. If you get back less than £38, the minimum fee will be reduced to the same value as your refund, so you have nothing else to pay.
