

Supporting the South Wales Police Federation

JNP Legal are delighted to be associated with the South Wales Police Federation in offering a 1st Class Service & Expert Legal advice across all areas of law to Police Officers and Support Staff within SWP.

Following on from our representation of Officers facing Criminal & Gross Misconduct Allegations over the last 18 years we can now assist you in areas of Conveyancing, Divorce, Wills and Probate, Personal Injury and Family Law at our 3 offices located at Merthyr Tydfil, Nelson and Llanishen in Cardiff. We are also hoping to commence drop in surgeries at the Federation office in Pencoed in 2019 if that is more convenient for you.

We understand that as professional people you require expert professional advice when you experience difficult circumstances in your private life, and to this end we have a recently employed *Howard Casey* as our Compliance Manager at JNP Legal.

Howard retired in July 2018 having served 42 years within SWP, the last 18 years as a Federation Friend and has a whole raft of experiences from serving officers during that period.

Howard will be the Client Care Manager with the SWP Federation bringing his experience and understanding of your needs and particular nuances as Police Officers to our solicitor's attention, thereby ensuring that your needs and expectations are met fully to your satisfaction.

For further details of who we are and what we provide please follow this link www.jnplegal.org

If we can assist you at any time please contact either of our 3 offices (shown below) mentioning "**South Wales Police Federation**" where a member of staff will deal with your query.
